### 7.2 - Best Practices

## 7.2.1 – Describe at least two institutional best practices

From the last few decades, this college is the only institution in this part of the district and state who provide quality education and supports for overall development of the needy students to make good career and also provided platform to opt higher education by the rural poor students. Some of the department is enriched in infra-structure facilities which is comparably better equipped than other colleges of the district and within the university. Further, the college has technologically enabled campus with state-of-the-art teaching, innovative research and management tools for stretching the boundaries of thought and experience. As a best practice to improve and enhance teaching, learning and overall development of the students and institution college has taken initiative and work on some areas which are as follows: We have been making the system more and more student friendly and learners oriented. To catering the academic needs of the economically and socially backward, marginalized and un-noticed masses. To propagate the ethics and power of education for improvement and empowerment of rural youth. Striving hard to bridge the gap between education and employment by introducing job oriented courses. The College aims at making use of ICT aided teaching so that the students can be given exposure to the latest advancement in technology. The College aims at providing such teaching and tools to the students by way of introducing vocational courses as may help them develop their entrepreneurial skills and become more employable. To sensitise the students on various issues

of our nation (eg. Swakchh Bharat) through extension and co-curricular activities so that they become responsible citizen. Our college is to expand the intellect of the students and enable them to stand upon their own feet by organising seminars, workshops and interactive sessions at regular interval. Further college has effective objectives: To impart quality education with high moral standards. To provide equal opportunities to students of all sections of the society. To introduce the latest technology in teaching programmes. To provide conducive environment for creativity and cultural activities.. To develop the skills of students so as to make them more employable. Specific support services and remedial facilities for SC/ ST/ OBC and economically weaker sections.

#### 7.3 - Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

K.B.College is located in the remote area of the district and falling under the rural area. Being its remote location and rural background, majority of the students are socially and economically backward. Thus, college is advantageous for those students who lacks basic facilities to learn and educate them for making their career and getting livelihood opportunities. From the last few decades, this college is the only institution in this part of the district and state who provide quality education and supports for overall development of the needy students to make good career and also provided platform to opt higher education by the rural poor students. Some of the department is enriched in infra-structure facilities which is comparably better equipped than other colleges of the district and within the university.
